

the NEW **1 2 3**
in home staging
and model design!

1. Stage 2. Sell 3. Save

Staging your vacant home or model has never been easier... or more **affordable!**

Parker Rose Design is now offering **deferred payment plans** to individuals and companies who need to stage now. Our new flexible payment plans, along with the high quality design and speedy service that we've always supplied, make our 1,2,3 home staging the right choice in today's market.

1 Stage... We'll create a look that will help your home sell! Our professional design team can style any home, from Tuscan to Contemporary, in just a matter of days.

2 Sell... Homes sell faster, and for maximum value when they're beautifully and professionally merchandized.

3 Save... Save your money now by deferring all home staging fees until the home sells, up to 1 year!

Call Parker Rose today and learn how you can affordably market a beautifully furnished home now!
